2020

January: Homeless Encampment

March+: COVID-19

The 'Big Five':

- 1. Degraded organizational capabilities
- 2. Disrupted social fabric
- 3. Disrupted supply chains
- 4. Competing response missions
- 5. Compounding effects

Solution Areas

- Amend plans and resources
- Incorporate recent lessons learned
- Assess current COVID response
- Really engage stakeholders
- Rest and reset staff

Key Deliverables

Pandemic Concurrent Hazard Annex

Amends existing plans:

- Alert & Warning
- Evacuation
- Mass Care & Shelter
- EOC

Care & Shelter Tools

- New C&S Annex
- Shelter Handbook (w/ COVID)
- New shelter options
 - Non-Congregate Sheltering (NCS)
- Temporary Evacuation Points (TEPs)
- Screening kits and shelter trailers

Emergency Operations Center (EOC) Readiness

- WebEOC virtual operations
- Reset layout for distancing
- Targeted training
- Staff coaching

Staff Duty Officer Enhancements

- Deploy to field Incident Command Posts (ICPs)
- Activate 2nd SDO
- Train and drill, train and drill

Public Information and Education

- Acknowledge community fatigue
- Expanded community outreach
- Continued Latinx engagement
- Expanded media and marketing
- Website enhancements

Thank You!
